100 Metres Hurdles Women - Final

27 July 2014

Winner - Kendell WILLIAMS, USA

This feels amazing. I just wanted to drop my time and score points for Team USA. I know Dior is a good starter and would get out on me, so I had to get out fast and stay with her. I feel good and the race went well. I got out well and went through the hurdles well but I could see Dior peripherally and that helped push me. This is my last junior meet and I wanted to go out with a bang. I think I did that.

Second - Dior HALL, USA

I want to thank everyone and give glory to God because I wouldn't be here without them. I'm glad that the USA got the sweep. And I love running with Kendell, whenever I'm with her in the race, she pushes me to my best.

Third - Nadine VISSER, NED

It feels very good to be a double medalist. This medal feels even better than heptathlon. I was very happy with that, but I expected more. I didn't know if I should do the hurdles. It wasn't the original plan, but I am very happy with the way it went in the first and second round as well as my time.

1500 Metres Women - Final

27 July 2014

4th - Elise CRANNY, USA

I wanted to medal, so I'm a bit disappointed, but it was a good race. I think it would have been better if the pace was quicker for the first three laps. With 500 to go, the pace picked up and that was hard to adjust to. Anytime I compete like this it's a huge running experience. I'm taking a lot away from this and have learned a lot.

6th - Alexa EFRAIMSON, USA

I gave it everything I had. It was a tough race but everyone did a great job. As far as what comes next, I'll see how this next year goes. I gave it all that I've got and that's all I have to give.

3000 Metres Steeplechase Men - Final

27 July 2014

Winner - Barnabas KIPYEGO, KEN

I was just trying to maintain the pace that I calculated for myself, and I was planning to lead all the time. We also had a team strategy with my friend Titus. This event is for Kenyans, we're mean to be the best in the steeplechase.

Second - Titus Kipruto KIBIEGO, KEN

Last year at the World Youth Championships I won the bronze. This year, it's a progress, I won the silver. Next year I will win the gold!

10th - Bailey ROTH, USA

I got off to a slower start than I wanted for this high school season. But I'm happy to be out here and do my best. I really wanted to get the (national high school) record again. I got it in the preliminary. The first mile was okay but once guys started pulling away it got to me a bit. I couldn't close the gap as well as I wanted to, so I just focused on having a good finish speed.

FLASH INTERVIEWS

4 x 400 Metres Relay Men - Final

27 July 2014

Winner - UNITED STATES, USA

Josephus Lyles: I felt really good today. My first 200m were really strong, I was making ground on everyone.

Tyler Brown: I was making sure to cut to the inside in first, I knew I was getting challenged, so I was doing my best to put the team in a good position.

Ricky Morgan: My teammates gave me a good lead, I was just trying to hold onto it and then make our exchange as quick as possible.

Michael Cherry: It is my second race here, I ran in the heats too. I wasn't really thinking during the race, was just focussed on executing, as my coach told me, so that I could stay strong on the homestretch.

Second - JAPAN, JPN

Julian Drummi Walsh: I wanted to have a great start at the beginning because that is the most important part of the race.

Kaisei Yui: The second leg runner must have good flow to the third leg. At the beginning this didn't go well, but then it turned out well at the hand off.

Takamasa Kitagawa: This was my first time to experience an international competition and I'm just so happy.

Nobuyo Kato:

Third - JAMAICA, JAM

Twayne Crooks: My leg was satisfying. This was the first time I've started the 4x400.

Martin Manley: I'm feeling great. The team is very happy because it was a NJR. We are proud of our performance during the whole championship.

Nathon Allen: I was determined to win a medal for our team.

Jaheel Hyde: My job was to carry the baton across the line and win a medal for our country. That's the game of sports--you win some, you lose some, but it's still a bronze medal. We already have a gold. My legs are tired now and I did my best.

4th - GREAT BRITAIN & N.I., GBR

Ben Snaith: We wanted a medal. We're the only European team left so we wanted to race hard.

Elliot Rutter: I had to go out hard and pick off as many as I could on my way around. There was quite the wind on the back stretch.

Jack Crosby: I think we ran really well. We were committed. It's not a medal, but my colleagues here ran very well and it's been an honor to run with these men and represent Great Britain.

4 x 400 Metres Relay Women - Final

27 July 2014

Winner - UNITED STATES, USA

Shamier Little: I got off to a good start, my goal was to take the team off to a good lead, so that we wouldn't have much trouble later in the race.

Olivia Baker: I got a burst of energy from Shamier during the hand-off, she was shouting "Go!" So I went out really well, brought the stick to Shakima and we didn't have any problems during the exchange.

Shakima Wimbley: I was just making sure to hold onto our lead and bring it to Kendall.

Kendall Baisden: I was making sure, as always, that I run my own race, don't get too hard so that I wouldn't slow down on the homestretch.

Second - GREAT BRITAIN & N.I., GBR

Shona Richards: I was going for it. I think we're all really good 400 meter runners and good runners in general. Two medals really is a good feeling and I'm grateful to be up on the stand this time with my team. We've really got great team spirit.

Loren Bleaken: Shona ran a great first leg for us. I knew there were also the Americans to watch and I wanted to be in a good place for the last leg. Winning this is one of the best moments of the competition.

Sabrina Bakare: I knew we were in third when I got the baton. I was in a good position to pass it off. This is the first time we've all run together as a unit.

Cheriece Hylton: I was set up nicely and tried to keep the position through to the finish line. I'm just so happy. Everyone is such good friends on this team.

Third - GERMANY, GER

Laura Mueller: It was a hard race because it's so hot today. I wanted to run and run good. It was good, and felt good, so it was a good run. Bronze is a surprise, but we wanted it and we made it.

Hannah Mergenthaler: The race was very good but hard. It's a dream.

Laura Glaesner: It was a very good race. I wasn't originally supposed to run, and I found out on short notice that I was going to run, but it was a good race.

Ann-Kathrin Kopf: We did it. It was so amazing to run at the end. And also hot.

800 Metres Men - Final

27 July 2014

Winner - Alfred KIPKETER, KEN

I made a promise in my country that I will win this medal, and I kept my promise. This is very important to me. I feel very happy. I knew I had to start strong, but to be able to finish strong too, because I had strong rivals. And I did that.

Third - Andreas ALMGREN, SWE

It was a really hard race from the start. When I saw the Kenyans go out I decided to stay a couple meters back because it was going to be a hard 400. I kicked for the last 100m. I was tired but I thought I still had a decent amount of power left, so I kicked and went pretty fast. I didn't think I would be under 1:45. I wanted to go 1:48. This is amazing; I'm speechless.

6th - Tre'tez KINNAIRD, USA

It was a good race. My goal was to make the final to cap off my season. I did that, so I'm pretty satisfied. My first lap was probably 51 or 52. I'm not used to going out as fast as some of the others. This has been a learning experience and I'm happy to be here.

High Jump Women - Final

27 July 2014

Third - Irina ILIEVA, RUS

I'm so happy with my medal, even though it's the bronze. It was a tough competition. It was such a long road to get here, jet lag and everything, all rivals were at their best. So it wasn't easy. Before the third attempt at 1.85m, I was really scared, because if I hadn't cleared it, I wouldn't be standing here giving this interview, there would have been no medal. But I was able to fight this feeling, concentrate and jump well. I love this city and this country, everyone is so friendly and helpful, we don't need to be afraid of getting lost in the streets or anything, someone will always help us find the way.

Second - Michaela HRUBÁ, CZE

It felt very good, but I was stressed because this is a big championship and I'm still young. I'm also happy, it was great. I hoped to medal. The atmosphere was very good. When I clapped, everyone else clapped, too.

Winner - Morgan LAKE, GBR

It was amazing, it felt outstanding really. One medal is great, let alone two. The competition was so great and I am so, so happy. 1.93 beat my old personal best, so it is amazing to jump it twice. Next is European Seniors in two weeks time so I'm trying to get ready for that next.

Javelin Throw Men - Final

27 July 2014

Winner - Gatis CAKŠS, LAT

I could only fall asleep at 4am, because it was too hot, I guess. My first five throws today were really bad, but in the last throw I finally got it together! I still can't believe it! Even after five bad throws, I still knew I had a big one in me. I thought I can maybe go farther even. I'm so happy, my coach will be excited, my family will be excited.

Second - Matija MUHAR, SLO

I feel really good now. First place slipped at my last throw, but I am happy with second today. The wind could be better if it came from behind, but the conditions were the same for all so it is nothing to worry about. Now it's time for vacation and when I come back I will train for next year.

Triple Jump Men - Final

27 July 2014

Winner - Lázaro MARTÍNEZ, CUB

I've been doing the triple jump since I was 12 years old. Before that I did judo, played basketball, baseball and volleyball. There is a great tradition in the triple jump in our country. Aliecer Urrutia, Yoelbi Quesada, now there are Ernesto Reve, Pablo Pichardo. I want to extend that tradition, but there is still a lot of work to be done. I'm grateful to my coach, and to my first coach, as well, he is like a mentor and like a father to me. Hopefully, he will join the national coaching staff in future.

Second - Max HESS, GER

This was a new PR. The competition was good and I'm happy that I did my best. My goal for this season was 16.50, so I'm happy.
