*Due to tragic events that took place yesterday evening in Ile-de-France region, the prefecture bans any demonstration (including sporting events) on public roads. The half marathon organisation therefore regrets to announce the cancellation of the Christian-Granger Boulogne-Billancourt Half Marathon planned on Sunday, November 15th at 10:00 am.*

*Our thoughts are first with the victims and their families. More information within next hours, days on the official website of the event : [semi-marathonbb.fr](http://semi-marathonbb.fr)*

*Thank you for you understanding*

*We thank you in advance for forwarding this message the ones that are concerned by this decision.*
