a = aided road course according to IAAF rule 260.28 (separation between start and finish points more than 50% of race distance or the decrease in elevation greater than one in a thousand; South America do recognise additional marks in this category);

WO = women-only race (Shown for North America as the USA keep separate records in this category);

+ = en route performance; mix = mixed race (men and women together); † = not timed officially

Africa, Europe, the CAC and Oceania do not yet recognise road race records in all these events, but may recognise marks which were set on aided courses!

* The birthdate of Kenneth (Kiprop) Kipkemai KEN was misreported as August 5, 1994 but is apparently August 2, 1984, so his 59:11 Half Marathon (den Haag, 11 Mar 12) is not shown here as a world junior best. Similarly Dennis (Kipruto) Kimetto (Koech) KEN was variously reported to have been born on November 13, 1993 or January 22, 1994, but the compiler understands that January 22, 1984 is his correct birthdate so his 59:14 Half Marathon (Berlin, 1 Apr 12) should also not be regarded as a world junior best
