NOTES ON ATHLETES' 'LABEL STATUS' AND RTP FOR 2027

A dedicated "Registered Testing Pool" ('RTP') of Road Running athletes will be selected and maintained by the AIU throughout the season. The athletes in the RTP will be subject to no-notice out-of-competition testing at their place of residence or training as well as target testing at races (pre-competition and in-competition tests).

Athletes will mainly be selected on performance-based criteria but also on other criteria, at the discretion of the AIU. It is expected though that all Platinum and most Gold Status athletes will be part of the RTP. The RTP is managed "dynamically" which will imply a close monitoring of performances during the season. The AIU reserves the right to add/remove athletes from/to the RTP whenever deemed necessary (e.g. in case of breakthrough performances, pregnancies, injuries, etc.), without notice to race organisers. Athletes without Status may also be added to the RTP. The size of the RTP will depend on the availability of funds, i.e. on the number and mix of Label Races in the programme.

For any information on the programme, contact the World Athletics Road Running Manager Benjamin Roux, benjamin.roux@worldathletics.org.
