INDIVIDUAL ATHLETES

Each Member Federation will be allowed to participate with up to a maximum of three qualified athletes in each event, subject to the below. A fourth qualified athlete can be entered as a reserve.

Individual Athletes can qualify in one of three ways:

1. Be among the best ranked athletes at the end of the qualification period as per the **IAAF World Rankings**
2. By achieving the **Entry Standard** within the qualification period in accordance with criteria decided by IAAF.
3. By **Wild Card** as:
 - Reigning World Outdoor Champion
 - Winner of the 2019 IAAF Diamond League
 - Leader (as at closing date of the final entries):
 - IAAF Hammer Throw Challenge
 - IAAF Race Walk Challenge
 - IAAF Combined Events Challenge

If both are from the same country, only one of the two can be entered with this Wild Card. If a Member Federation has four athletes in one event as a result of this regulation, all four will be permitted to compete.

Unqualified Athletes

The participation of **unqualified athletes** (including host country) shall be administered as follows:

- Members who have no male and/or no female qualified athletes or qualified relay team, may enter one unqualified male athlete OR one unqualified female athlete in one event of the Championships (except the Road Events and Field Events [see below], Combined Events, 10,000m and 3000m Steeplechase).
- Members whose best athlete excels in a **Field Event or Road Event**, may submit to the IAAF the name of their athlete whom they would like to enter together with their best performance

during the qualification period. The Technical Delegates will decide whether or not to accept such entry and, to do so, may seek the opinion of the relevant Area Association.

- If the **Host Country** does not have a qualified athlete in an event, or a qualified Relay Team, it may enter one athlete (or Relay Team) in that event, with the exception of the Combined Events and Field Events, where the above shall apply.
- The names and events of the unqualified athletes must be submitted to the IAAF by no later than **26 August 2019**.

IAAF World Rankings Qualification Process

At the end of the qualification period, the IAAF will publish the IAAF World Rankings as at 6 September 2019. Based on the target numbers, the athletes qualified through the IAAF World Rankings in each event will be determined as follows:

- Target number
- *Unqualified Athletes entered*
 - *Wild Cards entered*
 - *Qualified by Entry Standard entered*
 - = Qualified by World Ranking

If a Member Federation does not confirm a qualified athlete for entry, the next eligible athlete(s) will be identified at the discretion of the IAAF.

Where there are more than three qualified athletes from any one Member Federation, the Member Federation will have the right to enter any three athletes of their choice based on their own selection criteria.

RELAY TEAMS

Each Member Federation will be allowed to enter one qualified team in each relay event, subject to the below. A total of six athletes may be entered and these must include the individual athletes (up to four) entered in the respective individual event (100m and 400m). This does not apply to the Mixed 4x400m.

Relay Teams can qualify in one of two ways:

1. First ten (twelve in the Mixed 4x400m) placed teams at the **2019 IAAF World Relays**.
2. Be one of the best ranked teams at the end of the qualification period to fill the remaining places (six or four). For the purpose of being ranked, the results of relay races shall be valid only on condition that they are part of a competition staged in compliance with IAAF Rules and that at least two different international teams, representing at least two countries, compete in the race.

Relays Ranking Process

Following the end of the qualification period and knowing the Relay Teams that have qualified from the IAAF World Relays 2019 and those eventually entered by the Host Country, the IAAF shall identify the teams qualified by virtue of their ranking position (according to the best performances in the whole qualification period). The IAAF shall, within 24 hours of the closing of the Final Entries, notify the Member Federations concerned by email to the official email address (xxx@mf.iaaf.org) and replies shall be expected within 24 hours. Upon refusals or cancellations, the next eligible relay team will be identified at the sole and exclusive discretion of the IAAF.
