There will be two stages of competition with all athletes competing in both. The performance of each athlete in both stages will be added together to determine the overall final placing.
In Stage 1, except for the Race Walk, the heats will be arranged using the IAAF seeding rules. Where applicable, the results of all heats will
be combined and the athletes’ times will determine their allocation to the Stage 2 heats.

In Stage 2, the top eight athletes from Stage 1 will compete in the last heat. The remaining athletes will be spread equally over the other heats according to their times in Stage 1. (Order of heats: from weakest to strongest.)

For the Race Walk events, there shall be one race only at each stage, and the Pit Lane rule, according to IAAF Rule 230.7(b), shall be used. Athletes who did not start (DNS), did not finish (DNF) or were disqualified (DQ) for a technical reason in Stage 1, may compete in Stage 2, however, a valid result from both stages is required for the athlete to be ranked in the final placings.

6.3.2 1500m – 3000m – 2000m Steeplechase - Cross Country (Distance Events)

In Stage 1, all athletes shall compete in one heat of their individual event.

For that purpose, the results of the Cross-Country race shall be adjusted to reflect a separate ranking for the 1500m, 3000m and 2000m Steeplechase participant respectively.

6.3.4 High Jump, Pole Vault, Long Jump, Triple Jump, Shot Put, Discus Throw, Hammer Throw, Javelin Throw

There will be two stages with all athletes competing in one group in both. The performance of each athlete in both stages will be added together to determine the overall final placing.

In both Stages of all Field Events, except for Pole Vault and High Jump, all athletes will receive four (4) trials. There will be no change of order after three trials.

In Pole Vault and High Jump, normal IAAF rules shall apply.

6.3.5 Ties

Except in the 1500m, 3000m and 2000m Steeplechase, in the event of the same result in the overall ranking, it shall be resolved in favour of the athlete who achieved a better official result in any of the two stages. If then the athletes still remain equal, it shall be determined to be a tie.

In the case of the 1500m, 3000m and 2000m Steeplechase, the athlete who finished nearer to first place in the Cross-Country race shall be awarded the higher place.

6.3.6 8 x 100m Mixed Relay - Exhibition event

6.4.2 Additional Implements
Further implements may be added to the approved list if requested by Member Federations directly or by Manufacturers with the endorsement of a Member Federation [by a deadline set by the Event Delegate] and if supplied to BAYOGOC free of charge [by a deadline set by the ED]. However, all such implements must have IAAF certification and be approved by the ED.

6.4.3 Personal Implements
Personal implements complying with IAAF Rule 187.1 may be allowed providing they are not on the official list and have been checked in accordance with the ED’s instructions. These implements must be available for use by all participants in both stages of the Competition.

Prior to the first day of the Competition, a Technical Meeting shall be held at which not more than two representatives [and an interpreter if necessary] from each delegation may attend. Delegations shall be given due notice of the place and time of the meeting. BAYOGOC shall provide translation in English and French.

6.8 Athletes’ Bibs
The athletes’ bibs [including those for the medal ceremonies] shall be provided by BAYOGOC.

6.9 Medals
Gold, Silver and Bronze medals will be presented in each individual event and the Distance Events to the first three placed athletes in the overall ranking. Each athlete will be presented their medal, followed by the national anthem of the first placed athlete together with the raising of the flags of the respective countries. In all cases, the medals will be presented in ascending order: third, second, first.

For the relay event, no Medal Ceremony will be held.
