2. TRAVEL TO THE BAHAMAS

2.1 Official Airport and Arrival Information

Lynden Pindling International Airport (NAS) is the official airport. It was named after the Father of the Nation and former Prime Minister of The Bahamas. The airport is less than 25 minutes driving time from all the important locations (Accreditation Centre, Team Hotels, Stadium).

After leaving the plane, teams go through passport control. Next they pick up their luggage at the Baggage Claim Area and carry it out to the Transport Loading Zone. The Welcome Desk is located in the arrivals terminal just after the clearance zone however LOC Staff will be already be available beside the Tourism Information desk in the Immigration and Baggage Claim areas to assist the delegations with entry formalities and customs clearance.

In case of lost luggage, the LOC will make every effort to help locate it. The Team Leader is nevertheless expected to declare the missing luggage at the airline’s welcome desk. The Team Leader may also be requested to return to the airport to identify the luggage if it was not located immediately. Transportation of the luggage to the venue/hotel will be arranged by the LOC.

All athletes and officials will be transported to their respective hotel where they shall normally be required to collect their Accreditation Card and check-in. In case of early or late arrivals, accreditation formalities shall be carried out the next day or as soon as practical. In such cases, the LOC will provide a temporary pass.

Teams or individual athletes arriving prior to 21 May will be handled on a case by case basis. However, the LOC should be informed in advance to make the necessary arrangements.

2.2 Entry Visas

Based on the preliminary entries, the LOC has already contacted those Member Federations that need a visa (see list of countries requiring a visa is in Appendix 14.6).

In any case, if you need a visa, you will be required to provide, for each participant, the following information to the LOC:

- First name, last name (as indicated in the passport) and indication of his/her function (athlete or official)
- Scanned copy of the passport

This information must be sent to the LOC visa office: visa@bahamasworldrelay.org. Upon receipt of this information, the LOC will provide an invitation letter which, depending on your situation, will serve one of the following purposes:

- If there is an Embassy of the Bahamas in your country, it must accompany your visa application.
- If there is no Embassy of the Bahamas in your country, the LOC is finalising one of two alternatives:
  - The possibility to apply for the visa at the British Embassy (if there is one in your Country) using the LOC invitation letter as support to the Application
  - The possibility to receive the visa upon arrival in The Bahamas in which case the invitation letter can be presented to the airline as proof of this in order to be allowed to travel.
2.3 Insurance
All Member Federations are responsible for their own insurance to cover illness or injury to any member of their Delegation and/or team, when travelling to and from IAAF competitions and during the event itself.
3. **ACCREDITATION**

3.1 **Accreditation Centres**

The main Team Accreditation Centre will be located at the Super Club Breezes Hotel. This is also where the Team Leader shall report, as soon as possible after his arrival, in order to carry out the administrative procedures.

A second Accreditation Centre will be located at the Paradise Island Harbour Resort. This will only deal with the printing of the Accreditation Cards (no administrative offices will be located here).

Opening dates and times of the Accreditation Centres will be as follows:

- 19 May 14:00 – 19:00
- 20 May 14:00 – 19:00
- 21 May 10:00 – 19:00
- 22 May 09:00 – 20:00
- 23 May 09:00 – 20:00

In case of arrivals prior to these dates or outside the opening times, the official Accreditation Card will have to be collected at the first opportunity. In the meantime teams will be provided with temporary passes.

3.2 **Accreditation Procedures and Payments**

The Team Leader will have to report to the LOC / IAAF Offices at the main Team Accreditation Centre, at the Super Club Breezes Hotel, before collecting his card, in order to complete the following formalities:

- Uniform Check
- Athletes’ Acknowledgement and Agreement Forms
- LOC Accommodation Invoice
- Travel Reimbursement
- IAAF Financial Statement
- Final Confirmation of Entries
- Collection of athletes’ bibs

The Team Leader will be asked to complete the accounting procedures and settle any extra payments (for non-quota athletes, team officials, use of single rooms, extra days, etc.) before he can collect his Accreditation Card, which will be issued upon presenting a document stating all procedures have been completed.

3.3 **Quota and Financial Support**

3.3.1 **Good Standing**

Financial support is offered to those participating Member Federations which are in “good standing” with the IAAF.

3.3.2 **Quota**

Each participating Member Federation shall receive a quota of two athletes for each relay team competing. Teams finishing in the top four places of the respective event shall receive an additional two quota places for that team.

The host country has no quota.
3.3.3 Travel
For all athletes in the Quota, 100% of an economy class airline ticket from the Member Federation Headquarters to the official airport will be offered. These tickets will be issued preferably by the IAAF, provided Member Federations send their Preliminary Entries and Final Entries by the respective deadlines. If a Member Federation prefers to purchase the airline tickets, the price of such tickets must be submitted together with the Preliminary Entries and be approved by the IAAF beforehand, knowing that the cheapest available price will be taken as a reference. Only the approved travel costs will be reimbursed upon the submission of the corresponding invoice(s).

3.3.4 Accommodation
All athletes, within the quota, will be offered full-board accommodation in twin rooms for a maximum of 4 nights (arrival on 22 May and departure on 26 May). A supplement will be charged for single room occupancy.

3.3.5 Reimbursements
Reimbursements will be made by bank transfer after the competition. Should a Member Federation exceptionally wish to be refunded in cash, or by cheque, on site, the President or General Secretary of the Federation must send a written request to the IAAF by 12 May 2014 indicating the reasons for the request and the name of the person authorised to collect the reimbursement, and IAAF will advise if this is possible.

3.3.6 Financial Penalties
Member Federations must respect the deadlines and provide accurate information in their entries in order to avoid causing financial damage to the LOC. Failure to do so may result in the application of financial penalties as detailed below. The penalties will be debited to the account of the Member with the IAAF.

3.4 Accreditation Card
The Accreditation Card will carry the holder’s photo. It must be worn visibly at all times and must be presented upon request. It is personal and non-transferable. In case of loss or theft, please report it immediately to the Team Accreditation Centre or TIC at the Stadium. In order to obtain a new Accreditation Card, the Team Member must proceed to the Accreditation Centre carrying an appropriate identification document.
4. ACCOMMODATION AND TRANSPORT

4.1 Team Hotels

The LOC has arranged accommodation for all participants in three hotels of similar standard. Details are indicated hereunder. The IAAF and LOC have made a provisional teams’ allocation plan after the Preliminary Entries and a letter will be forwarded to each Team by the LOC prior to the Final Entry deadline informing them of where they are staying. However some changes can be expected as the Final Entries are received.

- by credit card: Visa, Master Card, Amex;
- In cash: US Dollars
**Note**: The accreditation and accommodation of team officials at IAAF Championships is limited to a certain ratio athletes / officials. This is illustrated in the chart in Appendix 14.7. Member Federations are kindly requested to respect the 55% ratio so that accommodation can be secured for all participants in adequate conditions. A few exceptions may be accepted but can only be confirmed at the time of the Final Entries.

4.3 **Check-in Procedures**

Team members must report to their hotel’s dedicated check-in desk where, according to the rooming list previously provided*, the check-in procedures will be completed and the room keys delivered. A valid identification document (Passport or Identity Card) needs to be presented for check-in. A scan of the credit card will be required in order to activate certain hotel services (telephone, laundry, etc.).

* to shorten procedures and avoid delays, it is strongly advisable to submit the rooming list in advance, prior to arrival.

4.4 **Services in the Team Hotels**

4.4.1 **Meeting Rooms**

Spaces for meeting opportunities will be available at all team hotels. In case of need, and for reservations, please contact the Competition Information Desk for more information.

4.4.2 **Rooms for Physiotherapy** (see also 11.5 and 11.6)

In each hotel there will be a common physiotherapy room for all teams. Guest rooms are necessary for accommodation and, in principle, cannot be reserved for organising personal physiotherapy spaces. If, upon arrival, there are spare guest rooms, it will be possible to reserve them at the cost of a single room (195 USD). The LOC will also offer physiotherapy services in dedicated rooms to those teams that do not have their own medical staff. Reservations will be handled by the Competition Information Desks.

4.4.3 **Internet Access**

Free internet access will be available in all hotels.

4.5 **Meals**

Athletes and team officials will be admitted to the restaurant in the team hotel upon presentation of their accreditation cards. Meals will all be served in buffet style and will be similar in both hotels. Cuisine will cater for special diets and religions and all food shall be appropriately labelled in English.

Meal times shall be as follows:

</tr>
<tr>

</tr>
</tbody>
</table>

On Sunday 25 May, dinner will have to be taken at the team Hotels, where it will be served until 22:00. The Final Party, which will include the Medal Ceremonies, will take place at the Super Club Breezes Hotel starting at 21:30.
4.6 Damages to Hotel Property

Please be informed that teams will be held responsible for any damage caused to hotel property and that any expenses incurred by the LOC will be charged to the credit card which will have to be provided as guarantee. If a credit card cannot be charged and the payment is not settled in cash, then the damage will be charged to the Member Federation’s account with the IAAF after the competition.

4.7 Transportation

Transportation between the Team Hotels and the various venues, including those of official and social functions, will be provided by the LOC bus service. A detailed specific timetable will be posted on the notice boards of the Competition Information Desks as well as at the Technical Information Centre.
5. INFORMATION CENTRES

5.1 TIC - Technical Information Centre (Stadium)

The TIC is located at the Thomas A. Robinson National Stadium, easily accessible from the Team Seats. The main task of the centre is to ensure smooth liaison between each Delegation and the Local Organising Committee, the IAAF Technical Delegate and the Competition Management of the Competition regarding technical matters.

- Display on the relevant Notice Board of official communications to the teams, including Start Lists, Results and Call Room reporting times. These will also be displayed at the Warm-up Area.

Opening Dates and Times will be as follows:
- Wednesday 21 May - Friday 23 May 09:00 – 20:00
- Saturday 24 and Sunday 25 May 09:00 – 21:30

This will be the main centre for technical information although certain documents produced in the TIC will also be distributed to the Competition Information Desks (CIDs) for circulation.

5.2 CID - Competition Information Desks (Hotels)

These will be situated in each of the Team Hotels (except for the Comfort Suites which will use that of PIHR) and will be linked to each other as well as to the TIC. They shall be in charge of, but not limited to, the following:
- Display on the relevant Notice Board of official communications to the teams, including Start Lists, Results and Call Room reporting times.

- 19 to 23 May
  Team Accreditation Centre at Super Club Breezes Hotel

- 24 to 25 May
  IAAF Competitions Office at the Thomas A. Robinson National Stadium – can be contacted through the TIC

5.4 Document Distribution

The protection of the environment is becoming increasingly important in everybody’s life and the IAAF and LOC are trying to do their part. At recent Championships initiatives have been taken that reflect a commitment to find ways to contribute to the global environment and more will be taken in the future.

With today’s media and communication technology, saving paper may seem an obvious way to contribute but many of us are still reluctant to adapt, especially when it comes to start lists and results which, for IAAF World Athletics Series Competitions, are systematically published on the IAAF website, even before they are available in hard copy.

The IAAF World Relays 2014 are no exception and this is why every effort will be made to reduce the amount of printed material distributed to the Teams through their pigeon holes at the Technical Information Centre (TIC) at the Stadium or at the Competition Information Desks (CID) at the Team Hotels.

In practice this means that the distribution of competition related information at the TIC and CID will NOT be systematically made through printouts in the Team pigeonholes but will be displayed on the notice boards. It will still be possible to request occasional copies of specific event start lists and / or results (at the TIC).

Important notices of general interest (e.g. changes to the timetable) will also be displayed on the Posting Board while individual communications to specific teams will be posted through the pigeon holes.

We would like to take this opportunity to thank you for your cooperation and for your contribution to this important cause.

A Final Results Book will be produced and distributed to all Teams and guests prior to departure.
6.   COMPETITION FORMAT

6.1   Events Programme
The IAAF World Relays programme shall comprise the following events (for men and women):

4x100m  Round 1 and Final
4x200m  Round 1 and Final
4x400m  Round 1 and Final
4x800m  Straight Final
4x1500m Straight Final

For the 4x100m and 4x400m there will also be a B Final and progression to Finals A and B shall be as follows:

- Final A  The first 2 in each heat and the next 2 fastest
- Final B  The next 8 fastest

If the final number of entries in the 4 x 800m and 4 x 1500m necessitates more than one heat, the final placing will be determined by time.

As the 4 x 200m and 4 x 1500m relays are not run very often, a plan of the take-over zones on the track is included in Appendix 14.6 for information.

6.2   Qualification for Beijing 2015
The top eight placed teams in the 4x100m and 4x400m events at the IAAF World Relays shall automatically qualify for the IAAF World Championships Beijing 2015.

If one or more teams in the A Final are disqualified or do not finish, their qualifying place is taken by the top placed finisher(s) in the B Final.
7. **COMPETITION VENUE** (see plans in Appendices 14.3 and 14.4)

7.1 **Thomas A. Robinson National Stadium**

The Competition will take place in the Thomas A. Robinson National Stadium in Nassau. There will be a new Mondo track installed in spring 2014. The Stadium capacity is for 15,000 spectators.

7.2 **Warm-up Area**

The main Warm-up Area is located next to the Stadium. It has a 400m 8-lane track and an adjacent 130m stretch which is being entirely renovated. Access for athletes and officials will be from the bus drop-off point. The team seats (in the tribune behind the 200m start) and the TIC will be accessed directly from the Warm-up Area.

An appropriate number of tents will be made available to be used as teams’ physiotherapy spaces and will be positioned around the track. A larger tent will be provided for LOC massage services and a weight training room will be available.

7.3 **Training**

The Warm-up Area, as described above, will be made available for training prior to the start of the Competition, from 19 to 23 May from 8:00 to 20:00.

Athletes shall also be given the opportunity to train in the main stadium on 23 May, between 15:00 and 17:00.
8. ENTRIES AND FINAL CONFIRMATIONS

8.1 Entry Rules

8.1.1 Age Categories
Any athlete aged at least 16 on 31 December 2014 (born in 1998 or earlier) may compete. Athletes younger than 16 years on 31 December 2014 (born in 1999 or later) cannot compete.

8.1.2 Entries by Event
A maximum of one team from any one Member can compete in each relay event and a maximum of six athletes may be entered for each Relay Team. Any four athletes among those entered for the competition, may then be used in the composition of the team for the first round.

8.1.3 Entry Standards
Entry Standards are established for the 4x100m and 4x400m Relays only. They were approved by the IAAF Council in November 2013. They will target an ideal number of approximately 16 Teams to qualify. The remaining Teams (up to 24) will be determined through the IAAF World Lists in the same qualification period. There are no Entry Standards for the other relay events.

- At least two different international teams, representing at least two countries, must compete in the race.
- All performances must be achieved during competitions organised or sanctioned by the IAAF, its Area Associations or its Member Federations. Thus, results achieved at school competitions must be certified by the Member Federation of the country in which the competition was organised.
- Indoor performances will be accepted.
- Hand-timed performances for the 4x100m will not be accepted.
- Performances achieved on over-sized tracks will not be accepted.

8.2 Final Entries
The Final Entries must be submitted online using the IAAF on-line Event Entry System (http://evententry.iaaf.org), by 12 May 2014 midnight, Monaco time. Final Entries may be submitted starting 14 April 2014.

8.3 Final Confirmations
Teams will receive the Final Confirmation Forms upon arrival in Nassau and Team Leaders, or their representatives, must confirm during the accreditation procedure, the teams already entered which will actually take part in the competition.
Final Declaration Forms for the running order will be distributed at the TIC and must be returned at the same TIC as follows:

- For races on **24 May** by the time of the Technical Meeting (23 May at 17:00)
- For races on **25 May** by 20:00 on 24 May at the TIC (Stadium)

In accordance with IAAF Rule 170.18, changes will however be accepted **until 1 hour before first call time** at the TIC and / or directly with the IAAF Competitions Staff at the Warm-up Area. **For every race, First Call Time will be 40 minutes before the start.**

Once the team has taken part in the event, only two additional athletes may take part in the Final and substitutes may only be taken from the list of entered athletes.

### 8.4 Athlete Acknowledgement and Agreement

As announced in Circular M/24/09 dated 29 July 2009, each athlete competing in an IAAF Competition must have an appropriately filled in and signed copy of the Athlete Acknowledgement and Agreement on file at the IAAF. All athletes competing in the IAAF World Relays must sign and submit this acknowledgement, as soon as possible, and ideally by no later than the Final Entry deadline (12 May 2014). IAAF Member Federations are obliged to submit one for each entered athlete (email: athletes-agreement@iaaf.org or fax: + 377 93 503263). Any Athlete Acknowledgement and Agreement Form not received by the IAAF before the event will be collected at the time of the Accreditation procedure. The Athlete Acknowledgement and Agreement Form is in Appendix 14.9.

**Note:** Athletes who have already submitted their Agreement in 2010, 2011, 2012 or 2013 do not need to send it again - see appropriate indication in the IAAF Event Entry System (EES).
9. **COMPETITION PROCEDURES**

9.1 **Stadium Orientation for Team Leaders**
Teams will train at the Warm-up Area adjacent to the National Stadium so will have a chance to familiarise themselves with the location of the various facilities. No specific guided tour will be organised but on 23 May, during the training session in the National Stadium, from 15:00 to 17:00, LOC Staff will be available to provide any explanation that should be required.

9.2 **Technical Meeting**
The Technical Meeting will take place on **23 May at 17:00** (please note new time compared to that indicated in the IAAF Circular Letter) at the Gymnasium located within walking distance from the National Stadium.
The Meeting will follow the IAAF protocol and can be attended by a maximum of two representatives from each Member Federation.
Forms for submitting Written Questions for the Technical Meeting will be distributed to Team Leaders upon arrival at the Accreditation Centre and will have to be returned to the Hotel Competition Information Desks by 23 May at 12:00 at the latest.

9.3 **Timetable**
The timetable was approved by the IAAF Council in August 2013. Some minor amendments have been agreed with the Technical Delegate and the most updated version can be found in Appendix 14.1. Information on any further changes shall be provided at the Technical Meeting.

9.4 **Athletes' Bibs**
The Bibs shall be distributed during the Accreditation procedure. Bibs which are not collected shall be taken to the Stadium TIC on 24 May.
All athletes will receive three bibs, as follows:
- 2 bibs with the Athlete’s name: **one must be worn on the chest and the other can be used for the bag**
- 1 bib with the country code: **must be worn on the back (will be distributed at the Call Room)**.
Bibs must be worn in accordance with IAAF Rules and must not be cut, folded or obscured in any way. Failure to comply with the Rules may result in a disqualification or sanction.
Track athletes must also wear the hip numbers provided at the Call Room.

9.5 **Athletes' Clothing**
All athletes must wear the official national uniform approved by their Delegation and **all members of the same team in each event must wear exactly the same uniform**. The uniforms will be checked upon arrival at the Team Accreditation Centre.

Any advertising on clothes and bags must comply with IAAF Rules and Regulations (see latest edition on the IAAF website). The name/Logo of a national sponsor may be displayed instead of one of the national team or Member Federation Logo or flag on the national vest/leotard provided that such national sponsor is not a competitor of a Sponsor of the IAAF or of the event. For Bahamas 2014, these are the following:
For the purpose of avoiding conflicts on site, Member Federations are strongly advised to seek approval from the IAAF.

Any infringement of the Rules may result in the disqualification of the athlete. Athletes not wearing their official team uniform will be required to acquire the correct attire before they progress through the Call Room.

9.6 Call Room Procedures

There will be a first Call at the Warm-up Area where athletes will be gathered by teams. From here, teams will walk to the Call Room via a cordoned pathway. The Call Room is located outside the stadium track, behind the 100m start. Athletes will arrive at the Call Room without wearing their spike shoes and will undergo all checks there:
- Checking of spikes
- Checking of national uniforms and advertising

Bibs with the three letter code (e.g. BAH) to be worn on their back will be provided here. Hip numbers will be provided in all events for the 4th leg runners only.

Athletes will then be expected to leave the Call Room ready to compete leaving behind all personal belongings which will be taken by the basket carriers to the post event area.

For every event, athletes will be required to report to First Call at the Warm-up Area no later than 40 minutes before the start of the race.

9.7 Timing

Official timing will be provided by SEIKO. Additional transponder timing will also be used for split times.

9.8 Post Competition Procedures

All athletes will leave the track via the Mixed Zone situated just after the finish line. In the Mixed Zone, the Media may conduct short interviews. After passing through the Mixed Zone, athletes move to the Post Event Area where they will be able to recover and collect their clothing.

Please note that, for the first three teams in each Final, the post competition procedures shall be as follows:
• The winning team will be invited to go round the track for a lap of honour
• In the meantime the teams finishing second and third are gathered at the foot of the main
  tribune, in the centre
• Once the winning team has completed the lap of honour, all three teams are gathered at the
  centre stage for the award ceremony
• After the award ceremony, all three teams go to the Mixed Zone and then to the Post Event
  Area

9.9 Award Ceremonies

There will be an Award Ceremony for the first three teams in each relay race immediately after
the race. LOC staff will be responsible for gathering the teams and escort them to the podium.
When a team competes in Round 1 and in the Final with more than four athletes, only the four
athletes in the Final will be awarded during the ceremony. The athletes will wear their
competition uniform at Award Ceremonies. Medals for the first three teams in each relay race
will be given at the Final Party.

9.10 Protests and Appeals

Protests and Appeals shall be handled according to IAAF Rule 146, an extract of which appears
hereunder. Protests and appeals shall be handled, in the first instance, by the TIC at the Stadium.

9.10.1 Protests

Protests concerning the result or conduct of an event shall be made within 30 minutes of the
official announcement of the result of that event. The Organising Committee of the competition
shall be responsible for ensuring that the time of the announcement of all results is recorded.
Any protest shall be made orally to the Referee by an athlete, by someone acting on his behalf
or by an official representative of a team. Such person or team may protest only if they are
competing in the same round of the event to which the protest (or subsequent appeal) relates
or are competing in a competition in which a team points score is being conducted.
To arrive at a fair decision, the Referee should consider any available evidence which he thinks
necessary, including a film or picture produced by an official video recorder, or any other
available video evidence. The Referee may decide on the protest or may refer the matter to the
Jury. If the Referee makes a decision, there shall be a right of appeal to the Jury. Where the
Referee is not accessible or available, the protest should be made to him through the Technical
Information Centre.

9.10.2 Appeals

An appeal to the Jury of Appeal must be made within 30 minutes:
(a) of the official announcement of the amended result of an event arising from the decision
made by the Referee; or
(b) of the advice being given to those making the protest, where there is no amendment of any
result.
It shall be in writing, signed by the athlete, by someone acting on his behalf or by an official
representative of a team and shall be accompanied by a deposit of Bah or USD 100, which will be
forfeited if the appeal is not allowed. Such athlete or team may appeal only if they are competing
in the same round of the event to which the appeal relates or are competing in a competition on
which a team points score is being conducted.

Note: The relevant Referee shall, after his decision on a protest, immediately inform the TIC of the
time of the decision. If the Referee was unable to communicate this orally to the relevant team(s)
/athlete (s), the official time of the announcement will be that of posting the decision at the TIC.
10. COMPETITION AWARDS

10.1 Prize Money
During the IAAF World Relays, the top eight (8) teams in each event will be awarded the following prize money by the IAAF:

<table>
<thead>
<tr>

<tr>

</tr>
<tr>

<td>USD 4,000</td>
</tr>
</tbody>
</table>

Payments will be made directly to the Member Federations’ Bank Account following confirmation of doping control tests. The LOC has confirmed that there will be no taxes to be paid on prize money.

10.2 World Record Bonus
In the event that a team breaks a World Record during the IAAF World Relays, a prize of USD 50,000 will be awarded. The World Record Bonus will only be awarded for performances which improve the existing World Record and which meet all the necessary conditions for recognition as an IAAF World Record, in accordance with IAAF Regulations and after ratification of the record by the IAAF. Full details of the regulations regarding this prize are available from the IAAF upon request.

Should an athlete’s Doping Control results return positive, the awards and bonuses won shall be withheld.

10.3 Team Trophy
A team award, the “Golden Baton” Trophy, will be presented to the team with the most combined (men and women) overall points.

Points will be awarded to the winning team of each Final (Final A in the case of the 4 x 100m and 4 x 400m) as follows: the winner will score 8 points, the second will score 7 points, the third 6 points, and so on. Teams that do not start or do not finish or are disqualified shall not score any points. Points achieved by men and women will be combined and the overall winner of the IAAF World Relays will be the team with the most combined points.

If two or more teams gain the same number of points in the final score, the tie shall be decided in favour of the team with the greater number of first places. Should the tie then still remain, the team with the greater number of second places shall be given the higher position, and this system shall be applied, if necessary, to subsequent placing until the tie is broken.
11. MEDICAL SERVICES

11.1 General Plan
During the event there will be medical services available at selected locations and the venues related to the Event.

Medical staff will include doctors and physiotherapists under the supervision of the IAAF Medical Delegate. There will be a 24-hour medical service on call (standby) including ambulance at the stadium. All the Medical Centres and Medical Teams will have direct communication by mobile phones. All the doctors and nurses will be easy to identify by their uniforms. According to IAAF medical guidelines, all athletes and officials must have health insurance. This insurance should cover the costs of specialized medical help (in case of need).

11.2 Emergency Contact Numbers
In case of emergency please contact the Competition Information Desk or the closest medical centre.

11.3 Location of Medical Centres at the different venues
Medical Centres with first aid facilities will be set up at the Super Club Breezes Hotel and Paradise Island Harbour Resort. The main medical centre will be located at the training/warm up track.

11.4 Procedures in case of injury or illness
Team members who suffer from an injury or illness must contact the closest medical centre (or the provided Emergency Number) in order to benefit from the LOC medical services. In case of athletes’ injury or illness preventing them from competing, a certificate must be requested from the official medical service and presented to the TIC in case of withdrawal from the event.

11.5 Physiotherapy and Massage Services offered by the LOC
These will be available at the Training and Warm-up Area from 19 to 25 May. Massage services will be available at the Team Hotels daily and training/warm up between 8:00 and 20:00.

11.6 Team Physiotherapy Spaces
Dedicated massage areas for teams to set up their massage tables will be available at the Warm-up Area and at the Team Hotels.

11.7 Designated Medical Institutions
A local hospital has been identified and alerted for emergencies that should require hospitalisation.

11.8 Drugs Importation and Doctors’ Work Permit
The importation of pharmaceutical drugs for personal use is allowed, however, it must be declared to avoid confiscation. Team doctors need special permission to work in the Bahamas. Information from teams' entries will be used to process permits which will be available for distribution, upon proper identification, during accreditation.
12. DOPING CONTROL

12.1 General
Doping Control shall be conducted according to the latest IAAF Procedures and Guidelines under the supervision of the IAAF Doping Control Delegate.

12.2 In Competition Control
At the Post Event Area, all athletes selected for Doping Control will be informed. Following post-event protocols which may include the award ceremony or press interview, athletes will be escorted to the Doping Control Centre situated on the ground floor of the West Tribune, at the 100m start. Drinks will be provided for those athletes requiring it, and athletes should drink only those beverages from sealed bottles provided by the LOC. Athletes have the right to be accompanied by a team official who will be granted proper access to the doping control centre with a special pass only if required.

12.3 Voluntary Doping Control
Athletes who were not chosen for Doping Control may voluntarily submit themselves for testing, for example in case of national record or best performance. In this case athletes, or an official from their team, must complete and sign the “IAAF Doping Control Test” form which is available at the TIC. The cost of such test is at the athlete’s National Federation charge and will be debited to the National Federation’s account with the IAAF.

12.4 Therapeutic Use Exemption (TUE)
If an athlete has to take any medication included in the latest WADA Prohibited List, a Therapeutic Use Exemption (TUE) is requested. The TUE has to be issued by the IAAF prior to the beginning of the event. During the IAAF World Relays only “urgent” TUE’s will be dealt with. Under no circumstances a TUE for a chronic pathology will be issued.
13. DEPARTURES

The Team Leader will be requested to confirm the departure information, already provided in the Final Entries, at the Teams’ Accreditation Centre.

The bus schedule for departures will be made available at the Competition Information Desks so that all Team Members are informed of the departure times of the buses from the Hotel to the Airport.

Unless special arrangements have been requested with the LOC, check-out time from the hotels is 12:00 (noon). Team Members must settle any outstanding costs (telephone, laundry, minibar, etc.) with the hotel front desk prior to departure.

At the Airport Departure Desk, LOC staff will be assisting the Delegation Members.
